

The APAH Research Paper: Gothic Art and Architecture

It isn't that bad...calm down

Overview

- Prompt

- How and why is Gothic art and architecture different from previous styles studied in this course? (100 pts)

- **Basic Requirements**

- Minimum 600 words
- Printed submissions only, properly formatted
 - Minimum 11 pt font (Default font)
 - Double Spaced
- Images included to illustrate points (do not cite)
- Written to a general audience

Overview

- **Citations:**
 - Use any standard form of research citation (you choose)
 - NO PLAGARISM
 - Cite all online and print resources
 - Include in-text citations
 - Include works cited page
- **Required Sources** (go to faughthistory.weebly.com)
 - E.H. Gombrich, *The Story of Art* pgs 137-166
 - Carol Strickland, *The Annotated Arch* pgs 37-53
 - Laurie Schneider Adams, *A History of Western Art* (Chapters 13,14 are on Gothic Art)

Overview

- Additional Sources

- Responses must include at least 2 additional legitimate resources
- These can include (but are not limited to) academic and general audience sources
- Online resources must use correct citation
- It can also include any reading handouts from this semester. (Cite with unit packet and page)

Overview

- Required Works

- Response contains discussion or direct references to the following works.

- Chartres Cathedral

- *Röttgen Pietà*

- The Golden Haggadah

- Dedication Page with Blanche of Castile and King Louis IX of France and Scenes from the Apocalypse, from a *Bible moralisée*.

Overview

- Additional Works

- Response contains discussion or references to four additional works from the Gothic style or any art-historic era. The works must come from the APAH 250
- Previous class discussion of additional works used is not necessary. Feel free to choose art or architecture we have not covered yet

Overview

- Reminders
 - No plagiarism
 - Typed and printed
 - Double spaced
 - In-text citations and works cited page is required
 - Must use the 3 required resources and 2 additional resources
 - 8 total works must be referenced in your research paper
 - Include in-text images to supplement your writing
